Mighty Meals

***"Feed a needy child
every day for £25/year"***

The Mighty Meals distribution:

Mighty Meals:

The daily pressure to find food just in order to survive is relentless for billions of people in our world today. Children, often the most vulnerable, go hungry and rarely find help anywhere. The **Mighty Meals** programme is designed to feed a child every day while they are at school for £25 a year. This may be the only nourishing meal the child gets due to poverty in the family therefore your support is vital.

Giving:

Please consider supporting **Mighty Meals** to help children in great need and severe poverty around the world. Your support will provide a nourishing meal every school day of the year.

Please complete the tear off portion of this leaflet and return it to us with your donation.

Fundraising:

Please consider setting up an 'Ambassadors for the Poor' group in your area. Contact us for details.
